

Project Documentation – College Information Static Website

Project Overview

This project is a **static website** designed to showcase information about **Visakha Institute of Engineering and Technology**. The website follows a **Wikipedia-style layout**, presenting detailed information about the college, courses offered, events conducted, and contact details. Each topic is structured to be easy to navigate and informative, with dedicated subpages for specific categories.

Project Structure

The website includes the following main sections:

1. **Home Page**
2. **About Our College**
3. **Courses Offered**
 - Engineering
 - Diploma
 - M.Tech
 - MBA
4. **Events Conducted**
 - Technical Fest
 - Webinars
 - Cultural Events
 - Science Expo
5. **Contact Details**

Each major topic (Courses and Events) links to individual subpages that provide **in-depth descriptions**, images (if available), and timelines where applicable.

Pages Description

1. Home Page (index.html)

The homepage serves as the landing page. It provides:

- Brief introduction to the college
- Navigation menu to all other pages
- Highlighted announcements or featured events
- Quick contact information

2. About Our College (about.html)

Contains:

- A short history of the college
 - Vision and mission statements
 - Accreditation and affiliations
 - Campus infrastructure overview
 - Faculty highlights
-

Courses Offered Section (courses.html)

This section briefly lists all the courses and links to detailed individual pages.

Engineering (engineering.html)

Includes:

- Branches available (e.g., CSE, ECE, MECH, CIVIL)
- Duration: 4 years
- Eligibility: 10+2 with science
- Facilities (labs, workshops, etc.)

Diploma (diploma.html)

Includes:

- Specializations
- Duration: 3 years
- Eligibility: 10th pass
- Hands-on practical exposure

M.Tech (mtech.html)

Includes:

- Specializations offered
- Duration: 2 years
- Eligibility: B.Tech in relevant stream + entrance exam
- Research & lab facilities

MBA (mba.html)

Includes:

- Streams (Finance, Marketing, HR, etc.)
 - Duration: 2 years
 - Eligibility: Any degree + entrance test
 - Soft skills & placement training
-

Events Conducted Section (events.html)

This section links to subpages for each type of event.

Fest (fest.html)

Includes:

- Annual college fest overview
- Cultural and technical activities
- Guest speakers & performers
- Gallery of previous fests

Webinars (webinars.html)

Includes:

- List of webinars hosted
- Topics covered
- Guest speakers or industry professionals
- Feedback system

Cultural Events (cultural.html)

Includes:

- Annual day
- Dance, music, and drama events
- Inter-college competitions

Science Expo (expo.html)

Includes:

- Projects displayed by students
 - Judges/guests from industry or academia
 - Themes for each year
 - Participation info
-

Contact Page (contact.html)

This page provides:

- College address with embedded map
 - Phone numbers (admissions, office, etc.)
 - Email addresses
 - Social media links
 - Contact form (if supported with backend later)
-

Media & Aesthetic

- Each page will include relevant images, icons, and visual components
 - Clean layout with user-friendly navigation bar
 - Footer with quick links and contact info
-

Technologies Used

- **HTML5**
 - **CSS3**
-

----- THE END-----
